

Website Design Services for College-Bound Students Specifically Optimized for the College Admissions Process

Media Specialist Carol Todd designs easily-navigable, dynamic websites exclusively on the Wix Platform, specifically optimized for the College Admissions Process as directed by Minerva Education Consultancy. Carol Todd Media is a Wix Partner at the highest Legend level. We'll deliver a Beta Testing Version of the site design so that you can offer feedback and request changes on both the desktop and mobile versions before the site goes live. All Wix Premium Subscription hosting fees are not included in our rates and are to be paid separately to Wix at the time the site goes live. Contact caroltoddmedia@gmail.com to start the process. See samples of our website designs across many industries at <https://www.caroltoddmedia.com/college-bound-student-sites>.
